I still have a desire to return home." "Well, a sword cut won't return you to the real world." "Then what shall I do?" "This world is a sham, but it is in this world that your destiny awaits. Please use your sword to awaken." "Awaken? What? Where?" "Awaken, awaken." "That's right. I will awaken." "That's right. That's it." "That's what?" "That's what. I have to cut my own body." ÂiHola, Madman! I am here at last with another review. The new cards are back with their own card games, all of which are on sale. That should bring you a day of happiness. Today I'm looking at a card game no one is talking about called Magic 2013. Thank you, and I wish you a wonderful day. Happy New Year! Monday, January 10, 2015 This was a great period for me in my life. I was working at a really cool coffee shop. It was something I wanted to do for a while, and it gave me the opportunity to be creative, which I love. There were about 8 of us that worked at the same time, and it really was great! Sometimes I would really like to feel this again... but only for a while. I am happy with where my life is now. Tuesday, December 31, 2014 Wednesday, December 18, 2014 Thursday,
