Blackhawk Striker 2 Free Download !LINK!

Cole plays an old (2004) Wild Tangent game, Blackhawk Striker 2. The only one I haven't played is the second one. I only know Wild Tangent. It's called Strikers Strike. It has two modes - single and multiplayer. In single player mode, you can either play for one player (who still has a partner) - then you play alone for yourself. Or for two players - then a partner
